Bike race

The third annual Loto Ja cycling race will get underway Saturday in front of Sunrise Cyclery at 138 North 1st East in Logan. This United States Cycling Federation sanctioned event covers a grueling course from Logan to Jackson Hole, Wyo., 187 miles in length.

Last year, Logan's Rick Bullough, was beaten out by a few bicycle lengths. Kevin Gillies, another Logan resident, claimed the top finish in the veteran citizen's category. Gillies finished in 9 hours and 17 minutes.

An entry of \$15 is required of racers wishing to officially participate. However, all local riders are invited to join and escort the racers out of town at no charge. Further information is available by calling Sunrise Cyclery at 753-3294.
