LotoJa

It's billed as one of the longest one-day cycling races in the country, but the distance in preparation is just as extensive.

By the time athletes line up in front of Logan's Sunrise Cyclery Saturday for the annual running of LotoJa, they will have already come a long, long way.

The race takes cyclists through three western states, up and over a handful of mountainous passes and past 203 miles of asphalt, during which, food and water will be

consumed in motion and potty breaks will only add to already greatly inflated finishing times.

LotoJa is so named because it begins in Logan and runs to Jackson Hole, Wyo., or, more specifically Teton Village, just outside of Jackson.

The LotoJa record is 8:10 and cyclists will be pedaling extra hard Saturday to try and better the mark and reap the \$500 cash reward that comes with it. The race begins at 6 a.m.

1993

11th Annual LotoJaBicycle Classic
Logan Utah to Jackson Hole Wyoming
203 Miles, September 25, 1993

*Held in the tradition
of a one day European road classic . . .*

September 27, 1993

Dear Lotoja Participants:

Thanks for participating in the Eleventh LotoJa Classic cycling race on Saturday, September 25, 1993. This year's race was the strongest field ever with forty-seven Licensed II-II-III riders including a current national champion, Rod Bush and a past national champion, John Frey. Also, participating in this year's race as a Category IV racer was the past world junior mountain bike champion, seventeen-year-old Jeff Osguthorpe. John Frey set a new course record breaking the old record of 8:10:30 with a time of 8:02:26.

The race was a success because of the help of the riders and support crews. We'd like to thank the support crews for their cooperation with the rules and helping traffic flow smoothly. With out their support the race would not be possible. We'd also like to thank our many sponsors for supporting the race and making it possible. The officials are also recognized for their expert officiating and handling of the race. Most importantly, we'd like to thank the countless volunteers who assisted with every aspect of planning and running of the race.

As you know, this year's race was dedicated to the memory of Craig Ranson. A total of \$250 was collected toward the purchase of suitable monument. Any further donations will be accepted by Ron Stagg at P.O. Box 65, Logan, Utah 84323. We want to thank the Ranson family for volunteering to help with the race, it shows their commitment to Craig and to LotoJa and meant a lot to us .

Thanks again for participating, we hope you come back again next year as we expect another great race with even stronger and better fields of riders and the opportunity to complete this prestigious double century and maybe even improve your time!

Sincerely yours,

Ron Stagg,
Race Director
