Cycling LO TO JA

More than 200 riders, aged 13-60, will compete over a 203 mile course in Saturday's 12th annual Lo To Ja, or Logan to Jackson bicycle race.

"This is the only race I know draws people from across the nation to Utah," race organizer **Craig Curtis** said this morning. "It's the longest single day race I know of, and because of that a lot of people ride it. It's comparable to a day in the Tour de France."

New this year are two cash prizes offered by Cache Valley Bank and Treasure Valley Insurance. An award of \$2,500 will be given to any rider finishing in under 7 1/2 hours. The record, set by **John Frey** last year, is eight hours and two minutes.

The other cash award is for \$10,000 and will be awarded to any rider who finishes within 1/10 of a second of a predetermined time.

"If someone finishes in nine hours, 45 minutes, and 1/10 of a second and that's the time that was picked, they win," Curtis said. "But if they finished in nine hours, 45 minutes, and 2/10 of a second they wouldn't."

Riders start at Sunrise Cyclery in Logan and finish at Teton Village in Jackson. Categories include licensed men 1,2, and 3 riders, who start at 6:45 a.m., licensed men 4 and 5 riders and licensed women (6:55 a.m.), tandems (7 a.m.), men citizens 17-34 (7:05 a.m.) and men citizens 35 plus and women citizens (7:10 a.m.).

Sponsors for the event include Sunrise Cyclery, Trek, Guido's, Specialized, Makita, Italian Place, Baskets Etcetera, Fast Focus, Great Basin Graphics, Square One Printing, The Leavitt Group of Northern Utah,, BTU Stoker, Sports Pep and EK Eksessories.

"I see the race growing into an icon for the town," Curtis said. "We'll have the temple, Utah State and the Lo To Ja."

*Held in the tradition
of a one day European road classic ...*

12th Annual Lotoja Bicycle Classic
Logan, Utah to Jackson Hole Wyoming
203 Miles, September 24, 1994

September 28, 1994

Dear Participants:

Thank you for participating in the 12th year of the Lotoja Classic. Times were a little slower than the record setting pace of last year. Perhaps the dark morning and the beautiful Fall scenery delayed 100% focus on the race. Or maybe it was the cattle in the road or a charging bull. It really doesn't matter. We are a success to assemble each year at the awe of our coworkers, friends and family to push a little further and accomplish one last goal for the year. When it's all over, some have a new goal for next year yet others still want to finish.

Steve Young (San Francisco 49'er Quarterback) opened the 1994 Utah Summer Games with this statement:

My primary goal is to compete against myself... to out strip my yesterdays by my tomorrows. That is the competition that I urge you to take upon yourselves. It is not about beating anyone else. It is about beating yourself. As you run, jump, throw, and play, you want to do it against who you were yesterday, and approach greatness in today.

Each of you are better today than you were yesterday because you lined up at the start line Saturday morning to conquer yesterday and make a new tomorrow.

We thank you for your participation. We thank the sponsors for all of their contributions. We thank the numerous volunteers for their long hours of preparation. We thank the EMT's, the HAM radios operators, officials, and mechanics. We thank your family and friends for being willing to feed you and care for you all day and take you home when you were tired of riding a bike. We also thank the state transportation departments for their cooperation, all the towns and cities along the way, and the men and women in uniform carrying a badge for letting us do our thing and leaving us alone for the most part. Thank you for obeying the traffic laws enabling us to try this again.

Questions about misplaced clothes etc., Sunrise Cyclery (801)753-3294 wheels, Andrew Dusserre (801)364-2320.

Thank you again, we hope to see you again next year to conquer another challenge.

Sincerely,

The Lotoja Race Committee
