Bob Van Slyke finished the 184-mile course in 9:00:28 to pace the six riders in the First Annual LoToJa Bicycle Classic Saturday.

The ride began in Logan, travelled through Soda Springs, Weyand and Freedom, then finished up in Jackson, Wyo.

All six riders finished in under 12 hours. The other participants were Jim Munson, Allen Huestis and Jerry Hughes on a tandem, Kirk "Yog" Anderson, Kenneth Salahuddin and Dave Bern.

In other cycling action, Logan's Cliff Stenquist took second place in the Snowbird Hill Climb, and the Summit Cyclists had close to 100 riders out for Saturday's 100-mile Century Ride around Cache Valley.
